

AENU is looking for a
Investment Intern

Full-time, Flexible Hours

About us

AENU drives systemic transformation in venture capital towards impact, accessibility and stakeholder-alignment, with long-term investment for tech-entrepreneurs who solve the climate crisis and advance social equality. You can find out more about us on www.aenu.com.

Why join?

We are at a critical time in our history. Climate change has become the biggest threat to our planet and future generations. Social injustice and inequality are increasing.

We are looking to create an enormous positive impact on the planet and society, turning the challenges we are facing into an opportunity to create a better future.

We are looking for an impact investment rockstar who aspires to create a positive impact, who is seeking an internship with high responsibility in a flexible, international, and welcoming work environment, who is highly motivated and has an affinity for details and numbers, and who simply wants to support our transformational mission and make a difference in life.

Your Responsibilities

- Help execute our investment strategy, identifying the most promising impact ventures, incl. deal screening and documentation of deal flow
- Conduct market research to help identify new investment trends and opportunities in the impact entrepreneurship ecosystem
- Perform due diligence, incl. 1) gathering information and references from customers and industry experts, 2) researching potential competitors, 3) supporting with financial assessment, and impact assessments, and 4) helping prepare investment memos.
- Attend conferences to meet entrepreneurs and build relationships within the ecosystem to identify new impact investment opportunities

Qualifications & profile

- University degree and first professional experience (internships, working student). Prior investment experience not necessary.
- Knowledge of current trends & developments in the impact investing scene, with focus on technologies & levers to combat climate change as well as promoting social equality

- Outstanding analytical and research skills and orientation for details
- Independent, solution-oriented thinker and worker, team player with an entrepreneurial, creative problem-solving and self-starter mindset
- Excellent and empathetic communicator (written and verbal)
- Ability to work and prioritize effectively in a fast-paced environment and manage many parallel tasks
- Mission alignment on impact and sustainability that can be seen in behavior and action
- Full professional proficiency in English

Your package

- Competitive salary
- Possibility to work from home or in a co-working space in Berlin
- Opportunity to work with an amazing international team striving to create an enormous impact for the planet and society as well as in the investment and startup community
- Access to a strong established network in the startup, venture and impact tech ecosystem
- Embark on a new adventure where your personal and professional growth go hand-in-hand, unlocking your full potential to contribute to the systemic transformation towards impact-capitalism

Equal opportunity employment

AENU is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
