

AENU is looking for a

Junior Finance Manager

Full or Part-time, Flexible Hours

About us

AENU drives systemic transformation in venture capital towards impact, accessibility and stakeholder-alignment, with long-term investment for tech-entrepreneurs who solve the climate crisis and advance social equality. You can find out more about us on www.aenu.com.

Why join?

We are at a critical time in our history. Climate change has become the biggest threat to our planet and future generations. Social injustice and inequality are increasing. We are looking to create an enormous positive impact on the planet and society, turning the challenges we are facing into an opportunity to create a better future.

Are you looking for meaningful work that will help contribute towards a healthy planet and prosperous society? Then AENU is the place for you!

We offer you a flexible, international working environment with inspiring and highly motivated team members. Currently we are looking for a determined changemaker who brings finance experience and an affinity for detailed analysis and numbers.

Responsibilities:

- As part of the Finance team, you will work in close cooperation with the team and the management (CFO) - and gain insight into the workflows and processes of our fund.
- As a networker and interface manager, you will support and manage existing internal processes for our investment management, the deal flow team and external service providers.
- You support our finance team in a variety of ways: from analysis tasks, the coordination of tax service providers, the calculation of the ongoing NAV/IRR of the investment company and the handling of investor data.
- You will support our Finance & Operations team in the day-to-day management of service providers such as fund administrators, law firms, banks and other stakeholders.
- You will monitor and track the agreed targets and performance.

Profile

- You are fluent in both German and English (written & verbal required).
- You have a valid EU working permit.
- You have a university degree in finance and/or some professional experience (preferably 2-4 years) in the field of finance, banking or funds/investments, e.g. as a financial analyst, controller, financial accountant, accounting manager, tax manager, fund Manager, asset manager, investment banker or similar.
- You know how to build and maintain a network.
- Just like us, you have a passion for current trends and developments in the impact investing scene, with a focus on technologies that combat climate change and advance social equality - or you would like develop your skills in this area and contribute to change.
- You are comfortable working in a fast-paced environment.
- You have excellent analytical and research skills, always keep track of things and have an eye for detail.
- You are highly proficient in Excel.
- You are a master multi-tasker, know how to organize yourself, are independent and absolutely solution-oriented.

We offer you:

- The opportunity to be part of the change you want to see and to work with a great team that strives to make a positive contribution to the planet and our society
- A competitive salary plus carried interest participation.
- A flexible working environment: remotely from home or in our Berlin office.
- Access to a gigantic network in the startup, venture and sustainability ecosystem.
- The chance to embark on a new adventure, with countless opportunities to advance and develop the issues you care about.

Equal Opportunity Employment:

AENU is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
