

AENU is looking for a

Impact (Visiting) Analyst (m/f/d)

About us

AENU stands for a new era of impact venture capitalism with value-additive capital for tech entrepreneurs who solve the climate crisis and advance social equality. We are an article 9 SFDR fund that invests in technologies that have the potential to reduce 100Mt CO2e at scale. Our team is united by the ambition to drive systemic change in venture capital towards impact, accessibility and stakeholder-alignment.

Why join AENU?

We are at a critical time in our history. Climate change has become the biggest threat to our planet and future generations. Social injustice and inequality are increasing. At the **climate VC fund AENU**, we are looking to create a sizable and measurable positive impact on the planet and society, turning the challenges we are facing into an opportunity to create a better future.

We are looking for an **Impact (Visiting) Analyst** who is driven by creating a positive impact and seeking for a purpose-driven job with high responsibility in a flexible, international, and welcoming work environment.

Your Responsibilities

- **Impact Research, Due Diligence, Impact Modeling:**
 - Conduct impact research & analysis for new deep dives
 - Assist in evaluating the environmental and social impact & ESG potential of prospective investments
- **Support Portfolio Companies on Impact management:**
 - Help organize workshops and mentoring sessions for portfolio entrepreneurs
 - Help to track and report on the progress of portfolio companies
- **Impact & ESG Reporting and Documentation:**
 - Assist in preparing materials for (investor) meetings, presentations and reports

Qualifications & profile

- University degree and first professional experience (internships, working student). Prior experience in financial institutions or startups is not necessary.
- Knowledge of current trends & developments in the impact and ESG scene, with focus on technologies & levers to combat climate change as well as promoting social equality
- Outstanding analytical and research skills and detail orientation
- Independent, solution-oriented thinker and worker, team player with an entrepreneurial, creative problem-solving and self-starter mindset
- Excellent and empathetic communicator (written and verbal)
- Ability to work and prioritize effectively in a fast-paced environment and manage many parallel tasks
- Mission alignment on impact and sustainability that can be seen in behavior and action
- Full professional proficiency in English

Your package

- Competitive salary
- Opportunity to work with an amazing mission-driven team, striving to create a sizable impact for the planet and society, drive positive change in the VC & tech community
- Access to a wide and empowering network in the startup, venture and impact / sustainability ecosystem
- The opportunity to embark on a new adventure with great possibilities to develop and shape your own tasks, projects and outcomes

Equal opportunity employment

AENU is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.
